

SCALE TO 40-7/8 INCHES

Left Outside Edge of Enclosure

Right Outside Edge of Enclosure

This template is to enable an installer to quickly locate the centers of the 8 holes required to attach DSA brackets to a vertical surface.

The 2 brackets are to be flush-mounted against a vertical surface capable of supporting the enclosure's weight.

NOTE:
 1. TEMPLATE TO BE BLACK PRINT
 2. FINISHED TEMPLATE SIZE DEFINED BY CROP MARKS.
